

# Grow Day Camps Campership Application

*Benefiting the families and congregations of the  
North Georgia Conference of the United Methodist Church*

Camperships are intended to provide financial assistance to attend North Georgia Conference Summer Camps for those children and youth who would not be able to attend summer camp otherwise. This assistance - called “Camperships” - is also available to those whose families are experiencing financial difficulties.

Camperships are awarded based on need. They are not merit awards, and are therefore not “scholarships”. They are not given as merely a convenience or reduction of fees. These funds are offered by the United Methodists of North Georgia as a means of grace that every child and youth might experience God’s grace through our summer camping programs. Camperships will be awarded on a first-come, first-served basis as funds are available.

Steps to apply for Campership:

1. Complete online summer camp registration at [growdaycamps.org/register/](http://growdaycamps.org/register/), one for each camper applying for a campership. Registration and deposit payment must be completed before any campership award may be made. Please call 706-864-6181 for any questions about the registration process or to set up a payment plan for the \$50 deposit.
2. Complete campership application, including the “Confirmation of Need” section completed by your minister (preferred), social worker, school guidance counselor or other professional who is familiar with the camper(s) and family.
3. Return completed application by email to [growdaycamps@ngcrm.org](mailto:growdaycamps@ngcrm.org) or by mail using the address below:

## Conditions of Campership

- A. Recommendation of a minister (preferred), social worker, guidance counselor or other professional is required. This should be an individual who is familiar with the camper and family, but is not a member of the camper’s family or household.
- B. Campership recipients may attend only one camp session per year. Recipients who register for additional sessions in a given summer will forfeit campership awards.
- C. Camperships will be awarded for any one-week, overnight summer camp or day camp program of North Georgia Camp and Retreat Ministries.
- D. This program exists to make attending camp possible for children and youth who would not otherwise be able to attend camp without assistance. If you have concerns or difficulty with any part of the campership application process, please contact us.
- E. So that we may assist as many campers as possible, we ask that all families request the lowest possible award level(s) needed to make camp possible for their camper(s).
- F. The camper’s family or sponsor may return to the online registration system to review the award and make any additional payments as necessary.
